

John (Jack) Frederick Fell

February 2, 2022

John (Jack) Frederick Fell passed away quietly on Wednesday February 2nd 2022. Our hearts are broken.

Loving husband to Shirley Fell (predeceased) of 64 years (married in 1957); loving father to four daughters, Colleen (Ron), Kathy (Alan), Brenda (Colleen), Lisa (Darren). Proud grandfather to Jason (Anita), Justin (Sonja), Tara (Luis), Meghan (Jon), Michael, John, Colin and Joseph. Great grandfather to Stephen (Barb), Victoria, Brittany (Dan), Emily, Alexander, Brielle, Sofia and Jack. Great great grandfather to Nicholas. Brother to Margery (predeceased), Roy (predeceased) and Mary (predeceased). Uncle, great uncle and great great uncle to many nieces and nephews.

Jack was born in Toronto, Ontario, May 26, 1935 to Agnes (nee Moore) and Fred Fell. Married at 21, Jack raised 4 daughters and worked as a delivery driver in the food services industry for most of his working life. All of his children and most grandchildren were “initiated into the business” and often accompanied him on his delivery routes much to our delight, where he taught us many of life’s lessons.

Jack made everyone laugh with his keen sense of humour and was truly loved by all that knew him. He was our voice of reason, kind hearted and someone who listened to all of our troubles without judgement and celebrated our triumphs. He loved to make jokes and he made everyone feel important, special and welcomed. He loved a great game of poker, Woodbine race track and the casino. He also had a passion for the movies which were always a

topic of conversation at each visit. He and Shirley built a life and home filled with love, family and friends.

Our world will never be the same without you. We will love you forever and miss you every day. Thank you for giving us such a beautiful life.

“ It’s been over 2 years now dad, but I still miss you, think of you everyday. Two years ago I said life would never be the same, and it hasn’t been, it’s been really tough. Alit has happened and I’ve learned a lot too. I wouldn’t have been able to survive if I didn’t have that little voice of your in my head telling me that everything will work out girlie! I love you dad, will always miss you, and when I’m done here, I really can’t wait to be with you again. I love you dad

“ Grandpa, I miss you and Grandma, you were like my dad, and you taught me so many things. You were so funny, and also believed in me no matter what. Remember helping me with my math homework every night, just one of the many ways you showed your love. I Love you grandpa

“ Grandpa, you always took good care of me growing up. You taught me to drive, and you drove me to school every morning. Remember when we use to stop at Tim’s to get grandma’s coffee and mom’s iced capp and when the person at the window gave you the coff you would say habagoodbay (have a good day) and you would wave with one hand with your crooked fingers lol. I will always love you grandpa. Love Joseph

Ron always enjoyed his chats with your Dad when he would be in for a short visit on his way home from fishing !
