“ It is with our deepest sadness and sympathy to hear of the passing of my Uncle Blair. We send our condolences to Blair's immediate family, as he was a wonderful uncle, father, husband, brother and friend to all that knew him. I have fond memories of Uncle Blair as a child growing up, fishing, campfires, sharing laughs, pig roasts, Halloween parties, and time spent at Kasshabog lake, our happy place. Your love of life and positive attitude will always be remembered. May you find peace Sally and family in the enduring memories you had with Blair over the years.

*Rest in peace, until we are together again, you will be deeply missed. Love Julia Matys and Matthew (nee Smith) xoxo*
