“ *Very sad to hear the news of John’s passing, I knew John when we both were kids. I remember playing Euchre with John and his grandparents in their basement, such a great family. Rest is peace John!*

“ *This is such sad news...John was a wonderful and funny guy, but what I’ll remember most about him is how much he cared. I’m a resident of Heatherdale Road, where John was our Super. He was always helpful and kind. He’d always ask after my Mom, every time I saw him. John-you will be deeply missed around here. Thank you for all that you did for us, over the years. To John’s family-please accept my very deepest condolences...rest in peace John...*
