“ *John my father who I loved very much enjoyed music. His favourite singer was Roger Witteker. Loved hockey above all and a drink with friends and family. He was married to Linda MacDougall. He had 71nieces and nephews his parents were Jack and Mary McNeil he will be greatly missed by his children Saralea and Troy Spencer, his son Roddy McNeil, his son Alex McNeil, and his grandchildren, Mandy McNeil, and Lyndon McNeil. Please accept my apology dear lord and forgive me his only daughter Saralea for not being at the funeral. That was in Gods hands. May your soul be at peace and your life in heaven blessed. I love you dad. Sorry.*

I forgot to mention Alex's wife Tammy who was not mentioned in my memories. Not purposely I made a mistake also my dad was born April 23, 1937 passed away I was told August 02, 2017. I was told he went peacefully at the Oshawa Hospital in Ontario Canada with his son Roddy and girlfriend Sherri McFadden. Alex and Saralea were not informed of the decision to change the date of the burial and were not at the service regretfully. We loved our father very much. The Bisson family were there and gave their condolences. To bad his children Saralea and Alex were not informed. Sincerely Saralea Mary McNeil formerly Spencer.
