“ Dear John how we miss you. You were always there when we needed you without comments as to our problems, but always with joy at our good news and arrivals.
We've seen each other through some bad times but through so many more good times.
You didn't get to meet your great-grandson lucas before meeting mom but you would have laughed as he is such a ham.
Give hugs and kisses to Mom and Babs for me and know that we miss you all each and every day.
Love
Deb, Rick,Cassie,Jay,Paige,Zach and Lucas

“ John Patry is also survived by his 5 stepchildren - Debbie Dunn, David Long, Kelly Quigley, Sandy Long and the late Barb Townley. John was also grandpa to 8 grandchildren and a great grandpa to 5 great grandchildren.

John never had children of his own but he treated all 5 of his stepchildren as if we were his own.

John was more than a stepfather to me he was my dad. He walked me down the aisle and gave me away when I got married 25 years ago. John was always and kind and caring person. He was the best thing that had happen to my mother and he was very lost when she passed away in 2000.

John I know that you are now with mom and Barbie so please take care of each other. I will miss you very much. Love Your Daughter Kelly
