“ *Dear Jennifer and Jeff*

We greatly enjoyed our visits with your father, especially at our grandchildren's birthday celebrations. He enjoyed the children very much, and of course, was thrilled that for the time being, Jakob is taken with hockey.

He gave a lot back to his community in coaching hockey over many years and helping some deserving elderly with their tax returns.

We are very sorry for your loss. It is always hard when losing a parent. Remember, he isn't far away, because he will always be in a corner of your mind.

He was a truly nice person who we are pleased to have known.

With love,

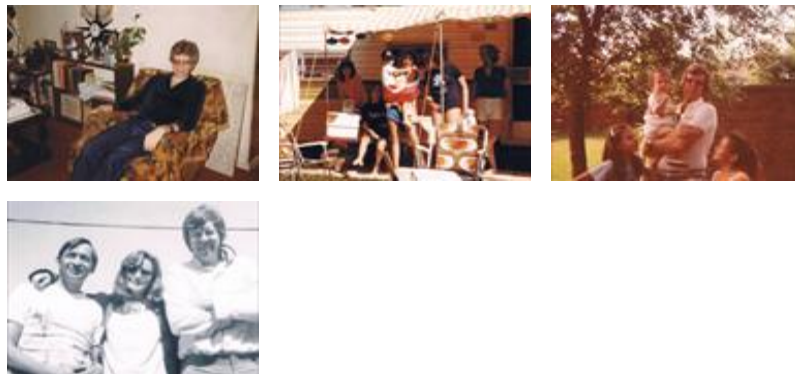

Alison and Leho
