“ *It is with sadness that I have learned of the passing of my gentle and kindly neighbour of many years. Joe took time to greet all his neighbours warmly in the company of his loving wife, Kathleen, whenever they crossed our paths on Dunfield Avenue. May he continue his happy trails in Heaven.*

“ *I wanted to extend my condolences during your time of loss. When we lose a loved one in death, it can leave us bewildered, but I've gained comfort from the verses at Job 14:14, 15. I hope they comfort you as well.*
