“ My name is Anne Brown and I wrote down Fred's address, bought a card, "Here's to 100 Years", with every intention to putting it the mail with this message, "Thankyou for all you did serving Canada"! My apologies. I just came across Fred's address a couple of weeks ago. Apparently I had used the paper as a bookmark! So I decided to type in Fred's name to see if Fred was still living. I learned that he had passed a few days before I got on my laptop to search for Fred. He sounds like he was an incredible person and one who touched many lives. My thoughts and prayers are with you.
