

## (Joseph) Noel Camilleri

April 3, 2025

Camilleri, (Joseph) Noel

Passed surrounded by loved ones on Thursday April 3rd, 2025, at SHN - Centenary Hospital after irreparable complications from abdominal surgery. Noel was a loving husband to Paulette (deceased in 2019), proud father of Jennifer (Ron) and Jason (Tania) and beloved Nannu to Brooke.

Noel, a retired Toronto Police Officer with 34 years of service is survived by his brother, Anthony, and sister, Joan, predeceased by his sister, Anna, and his mother, Mary.

He will be truly missed by his many aunts, uncles, nieces, nephews, cousins, his extended family, countless friends, neighbours and colleagues from the Police Services.

Noel, a Manchester United fan, loved his family and would do anything for anyone. He was a man of his word, and his booming presence earned everyone's respect. This was a constant, and we were truly blessed to always have him "on our side" and have him teach us to do things the right way.

Noel has been cremated and will be laid to rest in Malta as per his wishes.

“ Noel and I grew up like brothers and got in too many scrapes together. Later years saw us distanced by different countries but always stayed in touch and were blessed with many an escapade touring Malta together. Swimming and dining will never be the same without you my dear brother and will miss you this summer. Till we meet again, Sahha.

“ Noel was a lovely man who showed so much love for his family - especially his family in Malta. Every year he spent a few weeks in Malta and made it a point to organise a family gathering. Last Summer he brought us altogether where we spent a day at sea. He always insisted on visiting my dad too. We will cherish these memories forever.
