God saw you getting tired,
When a cure was not to be.
So He wrapped his arms around you,
and whispered, "come to me"
You didn't deserve what you went through,
So He gave you rest.
God's garden must be beautiful,
He only takes the best.
And when I saw you sleeping,
So peaceful and free from pain,
I could not wish you back,
To suffer that again.

Always on our mind, forever in our heart xxoo

“ My deepest condolences to my family members that are mourning at this time. Thoughts and prayers to you all during this difficult time. Uncle Ben was thoughtful, caring and quite a character. May he welcome the peace he now feels, free from pain and discomfort. He will be missed by many but will forever live on in our hearts and memories forever. May he be reunited with other family members and friends who have passed and may they guide him safely.

“ I know how very hard it is to loose your dad. Photos, memories and knowing that there is no more suffering, make it a little easier. Our thoughts are with you.
