

## Mrs. Joyce Evelyn Brown

June 21, 2017

BROWN, Joyce Evelyn (Wilson, Mosher) February 27, 1923 - June 21, 2017  
Joyce left this world peacefully on June 21, 2017, after a full and happy life. She was 94 years of age and feisty to the end. Joyce was predeceased by her beloved husband John Allan "Al" Wilson (1989) and her dear Cecil "Cec" Brown (2003), as well as her older brother, John "Jack" Mosher (1942) and her younger sister, Margaret Betty Hardman (1988). Survived by her daughter Janet Wilson of Regina, and son Jack Wilson (Denise) of Hamilton; grandchildren, Dan Cummins of Regina, Stephanie Beaulieu (Larry), Laura Wilson (Logan), Richard Wilson (Bianca), of Hamilton, and great-grandchildren, Conner, Makayla and Cassidy Beaulieu. Joyce had also gained a "bonus" family of children, grandchildren and great-grand-children from her marriage to Cec Brown. Joyce was a proud Canadian and Hamiltonian, and a graduate of Westdale Secondary School (returning to school after retirement to complete her high school education in 1989, at the young age of 66). She retired as office manager at Clarke Productions Ltd. in 1988, having made life-long friends with the Clarke family and staff. The family wishes to thank the compassionate staff of St. Peter's Residence at Chedoke in Hamilton for their care of Joyce over the last 19 months. Cremation has taken place, and the family will have a private celebration of her life later this year.

“ Dear family of Joyce,, I remember Joyce as an attractive, vibrant, intelligent and thoughtful person. My husband Malcolm Clarke had very fond memories of her and spoke highly of her when she worked at Clarke Productions. I am sure the family have wonderful memories of Joyce and will miss her.

*Dear Mavis,*

*Mum was such a fan of yours and would have blushed at your description of her!  
I myself have some great memories of Clarke Productions, especially cleaning the screens and using the Toronto line as a teenager. (I'm sure "Uncle Mal" never knew about the phone calls). He also was kind enough to sponsor Wayne's and my wedding reception at the Hamilton Golf and Country Club.  
Mum was sorry to hear about the winding down of the company.  
Times are sure changing.*

*I wish you and your family all the best,  
Janet*

“ Dear Janet, Jack and Family,  
I'm so sorry to hear of the loss of your dear Mother. Mom spoke of your Mother often and had many memories of her, especially at our cottage on Otter Lake when they were kids and as young mom's with families to care for. It's not often that friendships can last a lifetime.  
Thinking of you.

Hello, Kathy Bradbury Rogers!  
I do remember hearing about Joyce and Shirley as young women. Also about "Aunt Ida" - not sure if she was actually a relative, or if that was how children addressed adults" back in the day." Your mother also impressed me for her commitment to physical activity, especially skiing.  
Thank you for your kind words, and take care.

*I forgot to mention, in case you didn't know, Clarendon Avenue is bustling with the activities a 3-year-old boy and 21-month-old twin girls. Stephanie and Larry have lovingly cared for your childhood home.*

*Dear Janet, Jack and family:*

*We were sorry to hear about your Mom, Joyce's passing. Joyce and Shirley were such great friends, the oldest friendship we ever knew.*

*It was so much fun when your Mom and Joyce Clarke were able to join Shirley and myself for a tea party at Caroline Place after Shirley had moved there. Shirley really enjoyed them visiting with her when she lived there. I spoke to Joyce a few times by phone when she was at her condo.*

*Your Mom outlived Shirley by 2 years but now are united in their friendship again. Alan has fond memories of the families when he was young.*

*Our thoughts are with all of you during this time of sadness,  
Alan and Nancy Bradbury*

*Dear Janet, Jack and family*

*A very belated note to wish you condolences on behalf of my mother Virginia (Ginny) Stephen who was so very fond of your mother Joyce. They shared a long friendship and many good times and hard times. At 95 Mom is feeling very much that she is missing all of her friends - today she said she never thought she'd be the last one standing.*

*Our thoughts are with you and we share in the memory of a special woman.*

*Dear Nancy and Alan Bradbury,  
I appreciate your message of sympathy. Joyce and Shirley definitely had one of the longest friendships ever. As we age, I do appreciate those childhood memories! I remember listening in on the bridge games of Joyce, Shirley, Margo, and so many others.*

*Take care,  
Janet*

*On a rainy day in late July, we gently placed our mother's ashes at the Woodland Cemetery grave of her mother (our Nana), Margaret Mosher. In 1989, the cremated remains of our father, Allan Wilson, had joined Nana. All three of them are lovingly remembered.*
