My Dearest Aunt Joyce. I have such lovely memories of growing up with you and your children in our home in Toronto. I always considered you as my 'other mother'. Always so loving and forgiving of our mischievous ways.

You lived your life with dignity and grace and I am proud to be your namesake 💕💕

Everytime I see your face it reminds me of the places we used to go but all I have is a photograph and I realize you're not coming back anymore. I want you here to have and hold as the years went by and we grew old and gray. I can't get used to living here while my heart is broken my tears I cry for you.
