Judith Anne Block (Marinoff) Oct 21, 1948-April 27, 2019

It is with profound sadness we announce the death of Judith Block on April 27, 2019, peacefully in her home in Oshawa Ontario. Judy is survived by her husband and best friend Chester Block, her stepson Duncan Block, her brother Daryl Marinoff , her sister Constance Marinoff, her niece Niki and many other nieces and nephews.

Judy was the daughter of Edward and Denise (Arnal) Marinoff. Judy was predeceased by her siblings; Edward Jr., Michael, Maureen, Shirley and Brian.

Judy grew up in Belle Ewart, Ontario and later moved to Toronto where she attended Parkdale Collegiate. Judy graduated from Lakeshore Teacher's College. After teaching at Midhurst School in Midhurst Ontario, Judy switched careers and joined American Airlines. During her eight years at American Airlines she made many friends and traveled the world with her dear friend Ruth. Judy also worked briefly for the Ministry of Revenue in Oshawa. Yet another career change came when she joined her husband in his business, Limcan Heating and Air Conditioning.

Judy was best known for her incredible sense of humour and joyous outlook on life as well as her ability to never miss an opportunity to show her

mischievous side. Every day she brightened the lives of those around her with her beautiful smile, endless hugs and vibrant personality. She demonstrated a lifelong commitment to help anyone in need, never missing an opportunity to step in and do whatever she could to make someone else's day better.

Judy was a keen decorator especially in the company of her sister Maureen. She was an amazing and creative entertainer. She and Chester hosted many memorable parties over the years in their home and "Club Dread". Judy looked forward to her countless trips to Las Vegas with her family and her best friends. She had a special connection with children, and was known affectionately as Auntie Judy. Judy was loved by many people and will be missed by those who have had the good fortune of knowing her.

Cremation has taken place. Condolences can be expressed through aftercare.org

“ You've left us way too soon Judy, way way too soon. But I am happy in a way to know that you are finally at peace now and also comforted to know that your spirit has ascended back into the cosmos once again. You will be greatly missed by many Judy, including myself. To be perfectly honest, in our later years Judy and I have had our differences and were unfortunately not really on speaking terms, but I just wanted to leave a little note and pay my respects to someone who has been in my life now for over 40 years. I'm a little sad that we were not able to clear the air properly before Judy's untimely passing, but I look back fondly on my childhood and the wonderful times we had together when I was a little boy, and cherish them greatly. My father is truly broken right now, so I appreciate very much all the kind words and messages everyone has left for Judy and Chester, I know it means a lot to him. Rest In Peace Judy, you were always drawn to the stars and bright lights in Las Vegas, and now you are among the greatest stars of them all, shining your light down on all of us.

Peace, Love Light and Blessings

“ Chester ... So very sorry to learn of Judy's passing. She was a very special person. She always had a humorous story about your Club Dread. We have many good memories over the years starting with her visits next door to our place with ever mischievous Dudley who quite often jumped up on my lap on the lawn chair. That signified the end of his nightly walk. Judy was so good to everyone she encountered. Barb and Lorne Jeffs.

“ I will always remember my dear sweet friend Judy as incredibly generous of heart.

She was the most unselfish individual who not only was caring but cared for many friends and family.

Judy had an uncanny sense of humour and made you laugh even when faced with many serious life challenges.

Jude was a super travelling buddy and we shared some great adventures to far off places.

I will hold these recollections close and keep Judy's memory in my heart forever. Ruth Stewart

“ *We are so glad we had the honour of meeting Judy at Toronto
General hospital after Ken's transplant 8 years ago. Judy was still
waiting for hers. When we overheard she was from Oshawa and
that she only lived up the street we gave her rides to the hospital.
From day one she was always so friendly and funny. Her and Ken
hit it off right away and Judy fell in love with our kids. She was
always so generous and put others before herself. We will never
forget her. Rest in peace Judy. Ken, Diane, Kapri, Austin, Chelsea

“ Oh what fun Judy was. The life of the party, happy, bubbly, caring. We doubt that we shall ever meet anyone so jovial and selfless ever again.
