

## Judith Mangoff (née Cory)

August 5, 2022

MANGOFF, JUDITH (nee CORY) September 15, 1940-August 5, 2022.

Judith Mangoff passed away peacefully with her family by her side at Oshawa Lakeridge. She will be greatly missed by her husband Louis Mangoff of almost 60

years and by her children Christine, Stephen, Wendy, and Douglas (Kelly), and

grandchildren Jessica, Colin, Connor, Caleb, Jake, Luke, Noah, Emily and Louis. The

older sister of Susan Lavery (nee Cory and husband George) and the late Phillip Cory.

In her youth, Judith (Judy) was very proud to have attended Havergal College. Throughout her life she enjoyed taking part in all of the “old girls’ events. Many of

her lifelong friendships began at Havergal.

After Havergal, Judy became an RN at Toronto East General Hospital.

Although her

career was short because she chose to raise her children, being a nurse was an

accomplishment she held close to her heart. More lifelong friends were made during

her nursing days.

Later in life, she worked as an Early Childhood Educator at Charlottetown

Boulevard

Child Care. This job brought her great joy and she touched the lives of many children.

It was the perfect forum for her to share all of her craft and cooking expertise!

After retirement, both Judy and Lou spent a great deal of time travelling with Sue and

George Lavery. Many great memories were made. Judy and Lou also spent many

seasons at their trailer in Buckhorn, Ontario, enjoying trailer life.

Judy was a dedicated and loving wife, an amazing mother, a wonderful caregiver, and

a trustworthy friend. She was loved by many and will be greatly missed.

Judy has been cremated and a Celebration of Life will be held at a later date.

“ My deepest condolences on Judith (Judy)’s death. I was the supervisor at Charlottetown Blvd. Childcare Centre when Judy worked there. I have fond memories of Judy. She was a lovely lady, and a wonderful part of the staff. Judy was a favourite of the children who attended the centre. Her great qualities enriched the lives of not only the children, but the staff as well.

“ On behalf of my mum, Pamela and I, we wanted to send our condolences to her loving family and many friends. I have wonderful and insightful memories of “Mrs. Mangoff “ and enjoyed the many conversations she would partake in when I went over to their house. Lou and Judy were always very friendly and made us feel welcome . She was a fantastic mother, a testament to the children she raised, who loved her family deeply. The world is a sadder place now without her. So very sorry for your loss.

“ I worked with Bill Corey, Judith's dad. He was extremely proud of all his children, but I think Judith was a bit of a favourite. He was very fond of Lou as well. More of of fan than a father-in-law. Carol Hodgson
