

Julie Margaret Oakes

October 11, 2021

"Julie Margaret Oakes born Oct. 12, 1976 passed away peacefully at her home in Scarborough, ON on Oct. 11, 2021.

Daughter to Margaret and Ralph Oakes, sister to Christine Oakes and a member of the Carr family spread across Canada as well as the Oakes' from the East Coast. Dear friend to Derek Perumal and Milan to name a few.

Julie was a super fan and a rock n'roll sweetheart. She travelled throughout North America just to follow the music.

Seeing as she could start a conversation with anyone, she made many friends with her charm, feistiness and down to earth attitude.

She was a loyal and fierce protector of those she loved. I can't imagine having a better guardian angel.

Julie will always be loved and missed."

Private memorial to be held on Nov. 6.
