KITAMURA, June

May 22, 1945- February 21, 2026

June Kitamura passed away peacefully at her Hillsdale Terrace residence in her 81st year.

June was the youngest daughter of Yoshi (Martha) Kitamura and Masaru (George) Kitamura. Eldest sister Yae (Kit) Way-Nee predeceased June. Nobu (Grace) Nishimura, who lives in Maple Ridge BC, is the last surviving sister. Six nieces and nephews will remember June.

June was born in Slocan City, BC. Toronto ON was where she grew up and lived for most of her life. She lived independently and enjoyed volunteer work to help others. She did work for several years for the Spina Bifida and Hydrocephalus Association.

In 2008, she moved to a long term care home east of Toronto, which was closer to her sister, Yae. In 2012 she moved to Hillsdale Terraces Long Term Care in Oshawa ON. Her family extends their gratitude to the staff at Hillsdale Terraces LTC for their compassionate care for June over 14 years.

Cremation was June's wish. Her ashes are now with this of her predeceased

family members. In lieu of flowers, donations can be made to the Spina Bifida and Hydrocephalus association, or a charity of your choice.

May June rest in peace and find happiness in the afterlife.
