

## Ms. Karen Sue Male

March 31, 2017

Karen passed away in Toronto, Ontario on March 31, 2017, after years of fighting Parkinson's Disease. Predeceased by her parents, aunts, and uncle, she leaves behind her cousin Terry, children, Jesse and Sophia, and her granddaughters Margo, Madeline, and Phoebe. She also leaves behind many friends, including the supportive community at Asquith Place without whom she could not have coped in her later years. In her younger years, Karen enjoyed traveling, particularly to Paris, where she started her teaching career. Born in Cleveland, Ohio, Karen lived in Atlanta, Georgia, Paris, France, and Riyadh, Saudi Arabia, before settling in Toronto to raise her family. Karen later entered the secretarial field. She also found a warm community in the Catholic faith she embraced upon the passing of her uncle. In lieu of flowers, donations to the Michael J. Fox Foundation for Parkinson's Research, would be appreciated. <https://www.michaeljfox.org/get-involved/donation2.php>

“ I knew Karen for all the years she lived at Asquith. First we knew each other only professionally, as I was part of her Health Care Team. Over the many years, we became friends. I am so sad that she is gone. I miss her. Lisa

“ I met Karen our freshman year at Miami University in Oxford , Ohio. We shared many adventures, tons of laughter and the usual shenanigans of young women in the 60's..after graduation we traveled through out Europe continuing our escapades. With Karen there was never a dull moment!! I will treasure these memories forever . I shall miss this amazing woman , dear friend ..over the years our contacts were sporadic but when we talked The missed years ,dissolved and we could laugh again in spite of hardships we experienced..my deepest sympathyes to Sophia , Jesse, Teri and all family members and friends.....,
