

Katherine Angeline Petti

October 21, 2018

It is with sadness that Kay left our presence on October 21 2018, while a resident of Kings nursing home in Bolton.

Kay was born 91 years ago in Canso, Nova Scotia.

She leaves behind her three sons Patrick (Carol), James (Karen) and John.

Kay was a proud Nanny to Cara, Amanda, Terralyn and Joshua.

Also a great grandma to five beautiful children.

Kay had come to Ontario the day of Hurricane Hazel, after arriving from Nova Scotia.

Kay had lived a colorful life and enjoyed her days with Balcony gardening, Lawn bowling and her Blue Jays as a loyal home fan.

She was predeceased by her parents
Albert E. Lumsden, and her mother Lulu Nicolle of Nova Scotia.

We thank the staff of Extendicare in Kirkland lake and Kings nursing home in Bolton for the caring help in her last years.

The will be no service as she requested. Cremation has been completed.

In lieu of flowers donations can be made to the Alzheimers Society or the charity of your choosing.

“ Your life gave me a thoughtful husband, two beautiful children and so far two beautiful Grandchildren.
Your many funny sayings and strong will are missed.
May you find peace in your new resting place.

“ *Although many years have passed since we last saw Kay she was never forgotten. Going back to the 1970's, Kay was like a mother to me especially when my family relocated to Ottawa and I stayed in Scarborough and again the following year when I returned to Scarborough from Ottawa. I will always be grateful for her hospitality and making me feel welcome. My condolences to her 3 son's Patrick, James and especially John whom she always had a soft spot for, to Karen and her grandchildren Amanda and Joshua. Unfortunately her other two granddaughters never really had the chance to get to know her. May she rest in peace.*
