

Kathleen Duncan

December 16, 2024

With great sadness we lost this special lady Kathleen Duncan. Wife of the late Norman Duncan, mother of Fiona (Grant) and Lynne (Ray) and 6 grandchildren and 10 great grandchildren on Dec 16th at 6:10 am just shy of her 90th birthday and who lived independently up until the end with some help.

She is dancing with my Dad now. Mum was one of the strongest, bravest, and kindest humans to grace this planet. At Mum's request there is no funeral. She wanted her immediate family to have a celebration in her honor.

“ *Some of my earliest happy memories are of visiting Aunt Kathleen and Uncle Norman in Dundee before they left on their big adventure to Canada.*

When I decided to leave Scotland to work in Ottawa as a nanny Aunt Kathleen insisted that I stayed with them for a month before starting my job. Then they drove me up to Ottawa to make sure I was settled. This was in 1980.

The last time I saw her was when she visited home (Scotland) in 2013. I took mum (Uncle Normans cousin) to Dundee to visit her and it was as if we'd only seen her the week before.

So many happy memories of this wonderful woman.

“ *It was always a pleasure to see you and make you feel beautiful by doing your hair even though you always were inside and out . Everytime I left I could see the happiness and confidence on your face and it made me happy . Thank you for the quick crochet lesson that I will never forget ❤️ Shannon*
