

## Kathleen Joy Lougheed (nee Bridge)

November 2, 2025

May 24, 1933 – Nov 2, 2025

LOUGHEED, Kathleen Joy, of Toronto and Lion's Head, in her 93rd year, passed peacefully at Toronto's St Joseph's Health Center, late on Sunday November 2, 2025.

Cherished mother of Rocky (Denise), Kim Hames (late Daniel), Wanda and the late Andrea (Jamie McGreish). Loved grandmother of Kevin (Deana), Bruce (Lyndsey Scheffel), Kristin Hames (Alex Crowe), Danyelle MacKenzie (Kevin), Amber MacCulloch (Brian Apjok), Amanda Connolly, Morgen McMahon, Hayden and 14 great grandchildren. Dear sister of Allan Bridge (Barb). Greatly missed by numerous nieces, nephews and friends.

Predeceased by parents Rebecca (nee Wardrop) and Wesley Bridge, husband Durwin, sisters Neta Rydall (Jim), Dorothy Lyons (Ronny), Mildred Lobban (Jim), Francis, Allene Rydall (Orville), Clara Wakeman (Ransom), Ruth Drodge, Bernice Drodge, Betty Fosty (Bob) and Eleanor Fries, brothers Carman Bridge (Cathy) and Larry Bridge.

Among her many wonderful qualities, Kathleen's greatest passions centered around family and creativity. Deeply devoted to her parents, siblings, children, and grandchildren, she gave herself wholeheartedly to their needs and joys—always caring, celebrating, and often leading the fun.

Her love of "books" was another defining passion. Long before "scrapbooking" was popular, she poured her creativity into hand-crafted binders covered in

beautiful fabrics, filled with poems, photos, cards, and mementos that told the stories of her children's and family's lives. These treasured "books" remain a legacy of love, history, and artistry, often shared at family gatherings.

Her "sisters network"—a circle of heartfelt connection and endless conversations—was another source of great joy. Together, they shared news, memories, remedies, and laughter through countless long calls. As the last of this beloved group, Kathleen carried their spirit with her, leaving behind memories and creations that will be cherished forever. Godspeed!

Interment and Celebration of life is being planned for spring 2026. Details to follow.

In lieu of flowers, memorial donations may be made in Kathleen Lougheed's name to

The Canadian Lung Association (<https://www.lung.ca/donate> or 613 325 3605)

Or

The Heart and Stroke Foundation ([www.heartandstroke.ca](http://www.heartandstroke.ca) or 1-877-882-2582)

Your Dash

At life's end, the dates are few —

The day we're born, the day we're through.

But what matters most is the little line

That lies between those dates in time.

That dash is how we live each day,

The love we give, the words we say.

Not wealth or things that fade so fast,

But moments shared — the ones that last.

So take a breath, be kind, forgive,

And choose with care the way you live.  
For when your story's done at last,  
What will they say about your dash?

“ My deepest condolences to you all, Rocky, Kim and Wanda and all other family members. I only saw Kay once in the past 27 years since I moved from Ontario but she was still the same sweet woman I knew in my younger years in Toronto. She left such a loving legacy and my heart breaks for such a huge loss that you are experiencing.

“ Auntie Kay....you will be sorely missed. I remember how you and mom would talk on the phone for a couple of hours, knowing that we would be getting together at Huron Court, Whaley Drive or Springmaple them when we did get together, you'd talk you hadn't seen or heard from each other in months! Our families spent so much time together growing up, the memories are so numerous. Rocky, Kim, Wanda and families my heart goes out to you all. Sending hugs and love,

Marion

“ Auntie Kay....you will be missed greatly. It was always such a pleasure to sit and talk. Our family times together were so valued. I remember how you and mom could talk before a couple of hours, knowing we'd be together shortly either at Huron Court, Springmaple or Whaley then continue talking like you hadn't seen each other or talked to each other in weeks or years! Rocky, Kim, Wanda and families sending love and hugs
