

## Kellie Lynn Barron

July 14, 2024

Kellie Lynn Barron (Kelly)

With her family by her side our much-loved wife, mother and friend rested in eternal peace on Sunday July 14th, 2024.

Kellie lived life with abundance! Her 5'4" frame deceived the 10'10" presence that was always there for everyone, in every way. In her final stages of rest the community of family streaming into her room to be with her was proof of the impact and love she had and showed for those in her world.

Dearly loved "Lucy" by her "Doll" George, a true love story that was evident to the world for 16 years.

Kellie continues to give to everyone through the memories she made with those she cared for.... She was always an "all in" kind of girl, her enthusiasm for life was contagious to all around her, in family, work and relationships Kellie let you know you were deeply loved, valued and she had you back.

Her world was made complete with her brother Jamie (Kara) Stokes, brother Jake, son Martin and daughter Aleashia at her side in the weeks before her eternal sleep. She grew in strength and in love with each cherished visit and call.

"Kelly's Krew" of everyone who's life she has touched are planning a Celebration of Love, Life and Gratitude on Saturday September 7th, 2024

"How lucky I am to have someone that makes saying goodbye so damn hard"
