“ Our deepest condolences to Brad and Andrew on the loss of such a wonderful and vibrant young wife and mother. She may be gone from earth but her memories will live on forever in your hearts! Cherish those for they will get you through the tough times ahead. So sorry that we will not be able to come back from Florida to attend the memorial service, but we will hold you in our thoughts and prayers tomorrow.

“ Dear Brad & Andrew (and the rest of the family)

I was shocked & deeply saddened to hear the news of Kelly's untimely passing. She was a kind soul and the best hairdresser I have ever had. I would make the drive from Markham no matter the weather, sometimes against Kelly's advice. I now live in Nova Scotia so I will not be able to attend the service. Please know that she is remembered fondly by many. Take care of each other.

*With deepest condolences,

Our sincere condolences to Brad, Andrew & to her Mom Verna. When we lose a loved one here on earth, we gain an angel in heaven that watches over us. May you take comfort in knowing that you have an angel to watch over you now. All our love Todd & Janet

“ *Our sincere condolences to Brad and family. Its unfortunate that we were never friends prior to Kelly's time in hospital. It was such a honor to meet Kelly, Brad and family during her hospital care. It was heart warming to see the devotion, love and care shared by Kelly's family and her loving husband Brad. Divine intervention came the following day to our loved one. You're in our hearts & prayers... Laurie, Mike & Crystal (hospital room mates)*
