On Friday December 1st, Kelly Gordon Giles passed away peacefully at home, nearly a year after his diagnosis with Cancer. Best friend and husband to Cindy Giles, beloved father to Hailey Pollett(Jesse Pollett), and Brooke Giles (Joshua DeJager). Kelly was the son of Karen and Gerry Giles., & loving brother to Tonia Giles. He was a proud Grandfather to James Kelly Albert Pollett.

From his earliest of days, he was an avid sports fan. His love for hockey, especially the Toronto Maple Leafs grew infectious throughout the family. Kelly also enjoyed playing golf, fishing (all summer and winter), hunting and watching NASCAR every Sunday.

Kelly worked for DuPont which later became Axalta for 28 years. He was a dedicated and respected worker. Happily retired two years ago and enjoyed travelling to his favourite sunny south destinations.

His quite, funny, & quirky demeanour will be missed by all.

“ We are so sorry to hear of the passing of Kelly. Our thoughts and prayers are with Cindy, Hayley and Brooke. We have great memories of spending many summer weekends with Kelly and his family at Booster Park. I was fortunate enough to have worked along side Kelly for many years at DuPont. Countless Thursday night hockey games with all the boys. These are some of my fondest memories. Until we meet again my friend. Peter, Audra and Katrina Kotarba

“ I wish to send my sincerest condolences to Cindy and the rest of the family. I worked with Kelly at DuPont/Invista/Axalta for quite a few years and was on a team that interviewed Kelly. We worked together on the same team for quite a few years and every encounter was always positive. I'm sorry I won't be able to be with you at the memorial.
