

## Mr. Kenneth Stephen Bunton

December 11, 2015

Ken died peacefully, sleeping in until 11:00 in the morning, and had spent his final few days with visitors, good food, quiet meditation and music with Sarah Rose, a special visit from Susan Morgan, and with the support of caring and responsive staff and volunteers at Kensington Hospice.

He had 6 months after the diagnosis of stage 4 pancreatic cancer, and we found many joys in that time. He is mourned by Maureen, Owen and Carolina, with Alexander and Alaithia, Roger and Becci, Edwin and Ashley, with Finley and Josephine, Joan and family, Alan, by brother David, and Liz, Tonya and family, Elli and family, Eric, and Zena and family.

He would have welcomed more time, but was at peace with dying. He is missed.

“ I have many memories of Ken and his family at Chandos Lake during our childhood. My favorite memory of Ken? It has to be when he put the frog in his back pocket of his white clam diggers, and then sitting down. Peggy was never able to get that perfect imprint of the frog out of his pants. I will miss Ken, but my memories of him will be with me always. My sincere sympathy to Dave, Liz, and family.
