In Loving Memory of Kenneth (Ken) Newton
November 25, 1946 -August 9, 2020

It is with great sadness that we announce the passing of Kenneth (Ken) Newton at the age of 73 on Sunday August 9, 2020 in Toronto, peacefully, with his beloved wife by his side.

Ken was born in Saint John, New Brunswick on November 25th, 1946. He married Linda on June 20, 1968 and they moved to Toronto to start their family. Ken worked in the automotive industry for many years, eventually owning his own business. Always a hard worker and genuinely nice guy, he acquired many friends along the way. Ken was a loving husband to Linda for 52 years and a devoted father to his two children, but his very favourite role was Grandad. He adored his 3 grandchildren, who he loved to spoil, and he was often called Grandad by extended family and friends.

Ken is survived by his loving wife Linda (nee Robichaud), his children Christina Knox (Paul) and Ken Lee-Newton (Irene) and his grandchildren Erika, Jason and Olivia. He also leaves behind his parents Kenneth and Ethel (nee Hyslop) and family Steve (Rose), Kevin (Theresa) and Rosemary. He is predeceased by his brother Larry. He will be missed by many nieces, nephews, extended family and friends.

At Ken's request, there will be no funeral, however we will be holding a Celebration of a Life in the coming weeks. Details will be provided as they are available.

In lieu of flowers, and in honour of his great love for his grandchildren, donations to Sick Kids Hospital would be appreciated <http://my.sickkidsdonations.com/kennethnewton>.

Rest in Peace, we will miss you and remember you with love forever.

My deepest condolences to you, Linda, and to Chris and Ken and your beautiful families. I treasure so many wonderful times Larry and I enjoyed together with you over many years. What a super guy Ken was, great "brother" to me, great listener and storyteller, and with that million dollar smile.

MEMORIES ARE THE HEART'S TREASURES.

Loving thoughts and prayers to all.

“ As a son grows up, he often looks to his Father as a role model. Dad, I don't know if you knew, but I was always watching and learning. You taught me some of the most important lessons of all, like the importance of character, unwavering principles and an unflinching sense of right and wrong. You also showed me how to be a better man, a real Dad and a caring friend. You taught me the value of respect, hard work and kindness, and how a sense of humour can make even tough situations bearable.

But you didn't do it with lectures. You set an example for me to follow, and that's the best gift of all.

I wasn't the easiest kid to raise, and I probably made my teenage years harder than they needed to be. But you always accepted and supported me for who I am, while helping me grow into a better man.

How do you thank someone that gave you so much? Someone who worked so hard, and sacrificed so much? I know you'd say that you did it because that's what parents are supposed to do. But that doesn't make it any less special to us. I only wish I had told you more just how much I really did appreciate it all, and how much I love you.

Thank you isn't enough for all you gave me, my family – all of us. I can never repay you, but I promise to try to live up to your example every day.

This still doesn't seem real, I already miss that mischievous grin, your laughter, your voice.

We miss you terribly, and will never forget you.

*With love, forever,
Ken*
