

Mr. Kenneth Albert Withey

October 28, 2016

Kenneth (Ken) Albert Withey January 26, 1953 – October 28, 2016

It is with sadness to announce the death of Ken. He struggled for many years with various health issues, but somehow never seemed to let life get him down. He had a feisty spirit. Ken's passion was the outdoors – hunting and fishing. He had a way of pushing life's limits, and to all his family and friends, we were amazed at his resilience.

“Life should not be a journey to the grave with the intention of arriving safely in a pretty and well preserved body, but rather to skid in broadside, thoroughly used up, totally worn out, and loudly proclaiming WOW! What a ride. “ Author Unknown.

He is preceded by his sister, Victoria Salisbury; daughter, Audrey Payne and son Douglas Withey. He is predeceased by his parents Fred & Nina Withey.

Cremation has taken place. A celebration of life will be held in the Spring of 2017. Donations can be made to the Heart & Stroke Foundation. Thank you to the staff of St. Joseph's Hospital (Toronto) for doing everything they could to help Ken in his final stages of life

“ Melting lead from broken car batteries in your garage on Arrowsmith to create diving weights for me and John Tollady. Sharing a bottle of Crown Royal at a campsite on the river outside of Marmora the weekend before you started Basic training and using the same diving weights that we made in your garage in the frigid water. Many, many weekends camping when we were younger... fewer as we got older and we missed you around the campfire for the last few years. We toasted you last weekend when we heard of your passing... bittersweet. I'll remember your laugh and your creative use of profanity. We will fondly tell tales of you and "J" and Brad around the fire as long as we are able to canoe, hike or hobble to the gathering places. Rest well and be at peace "Albert". your friend.
