

Kevin James Almey

February 13, 2023

It is with great sadness that we announce Kevin James Almey, 67, passed away with his family by his side on Monday February 13, 2023 at the Credit Valley Hospital. The world has lost a great spouse, father, grandfather, son, brother, and friend.

He will be lovingly remembered by his partner of 20 years, Sharon, children Brian, Clayton, Melanie and Lisa, grandson Cody, Mother Irene, brother Ken, and sisters Kim and Katherine; as well as numerous relatives and friends.

Kevin was a gentle man with a huge heart. He enjoyed listening to all music, gardening, cooking and everything sports. He loved spending time with his family and was always up for a good time with his friends. He talked endlessly about the joy his grandson brought into his life and cherished every moment they spent together. Pappy will always hold a special place in Cody's heart. All who knew him loved him, and he will be missed by all.

The family wishes to send a special thank you to the staff at the Credit Valley Hospital for their care and compassion.

In keeping with Kevin's wishes, cremation has taken place, and no service will be held. A celebration of life will be held at later date. In lieu of flowers, a donation to Credit Valley Hospital would be appreciated.

It broke our hearts to lose you, but you did not go alone.
For part of us went with you on the day you were called home.
I smile because I know you loved me until the day you went away,
And will keep loving me till the day we're together again.

Tribute Wall

CA

“ I met Kevin years ago at Shoeless Joes. Always chatting smiling. Such a nice man. The last few years we played word games on Facebook. Did not see much of him in person. Talked about the Leaf games. ALOT lol. GO LEAFS GO , eh Kev?! My Mom is up there. Play word games with her! Rest in peace my friend.

“ I remember going to the horse races with Kevin in Regina, SK. We had such fun times together when he came for a visit. We were so young. Will always think of you with fond memories.
