

Kevin Michael Doyle

August 3, 2025

It is with profound sadness that we announce the passing of Kevin Michael Doyle on August 3, 2025 at the age of 86, surrounded by his family.

Born and raised in Melbourne, Australia, Kevin immigrated to Canada in the 1960's. As a chemical process engineer in the petroleum industry, he traveled and worked in many cities around the world. He inspired friendships with all whom he met and continued to visit them and explore the globe throughout his life.

Kevin will be deeply missed by his wife Rosemary, his son Brendan and wife Angela, his daughter Neola and husband Mike, treasured grandchildren Sofie, Adeline and Violet and his first wife and children's mother, Merel.

He was predeceased by his brother John and sister Patricia and survived by his twin sisters Maureen & Margaret.

Kevin's boisterous personality and zest for life made him the life of the party where he always showed up with a big smile and was always quick with a joke or limerick. Kevin will be greatly remembered for his lively storytelling, as well as singing and dancing along to everything from AC/DC, Gordon Lightfoot and Vivaldi.

The family will host a Celebration of Life in the coming months. Details will be shared once available. Anyone whose life Kevin touched will be welcome to reminisce, tell stories and laugh, while surrounded by friends and loved ones; as he would have liked.

In lieu of flowers, the family asks that you honor his memory by spending time with your loved ones, as Kevin always did.

“ *Dear Merel, Brendan and Neola, my sincere condolences to you all.
I have very happy memories from the times I spent with you and
Kevin in Canada already years ago. I remember Kevin as a very
warm and welcoming person doing the utmost to make family and
friends happy. I am sure you will all miss him but the good
memories will certainly remain.*

“ *Many happy memories of Kevin spread over 50 years. While Kevin
never lived in the "Harvard Club", he was a very active member in
our social life and our group ski and summer cottages in the mid
1960's, and I last skied with him at Tremblant about 2015 with
Graham and Mari Rubeli. A life well lived!*

*A memory that might amuse those over 70 who remember comic
strips from long ago. Back about 1964 I was about 6'-2, and
standing talking with Kevin in a ski-bar near Owl's Head. Someone
staggered by, looked at the two of us, and said "What's this, Mutt
and Jeff?"*

“ To Brendan, Neola, Rosemary, Merel and extended families, it is with heavy heart reading the sad news this morning of Kevin who's been in our lives while we lived in Toronto. What a shock it was to read that he's left this world. We loved having him visit us in Sydney and to know that he's not around any longer. My sincere condolences to you all and know that I'm thinking of you! Hopefully he and Charlie will be having a drink up there together! Sending you my love ... Liz Hayes

“ Sincere condolences to Kevin’s family. I always enjoyed hiking with Kevin especially afterwards at the pub. A favourite memory was when he was served the wrong beer and the bar staff refused to replace it. Like a true Aussie he just upped a went for “walk about” never to be seen. (Roger Whiteman)
