“ I have known Kevin for the past 32 years being the superintendent of the building that we lived in. Kevin was a good husband, great father and grandfather to his two precious grandchildren, For all us who knew him he was very out spoken especially when it comes to his family. When he got sick i miss seeing you out and about, I can't believe you are not here anymore I console myself saying that you are in a better place, Sleep on my friend until we meet again. 🌹❤️🙏

“ Where do we start, we sure had many memories while we raised our children at 35 Confederation. Robert and Jessica are only months apart. April the doting big sister was always near by. We had many laughs together, you will surely be missed by many, but most of all by Family.
Sending our deepest condolences to the Family. Stay strong
You are no longer in pain, may you rest in eternal paradise
