KEVIN JAMES STALEY

May 14, 1988 – December 31, 2024

It is with deep sadness and heartbreak that we announce the sudden passing of Kevin James Staley on December 31, 2024.

Mourning his loss are his mother, Barbara Staley, father, Mark Staley (Eva), his brothers Rob (Sarah) and Alexander (his “mini-me”), sister Shawna (Dave), his nieces Mackenzie and Brooklyn Grose, and his girlfriend Katlyn and her daughter Peyton.

Kevin is predeceased by his grandparents Robert and Jacqueline Staley and Robert and Margeurita Anderson, and his uncles Rick Staley and Tom Anderson.

Kevin was a kind, loving person that prided himself on his strength of character and his determination to live his life on his own terms. If you were lucky enough for him to consider you his friend, he loved you fiercely and wholeheartedly.

Kevin was extremely dedicated and hard-working and put forth great effort and persistence when learning new tasks. When given the opportunity to learn

house painting, he worked very hard to learn everything that he could and then proudly started his own successful painting business. His clients were always very impressed with his incredible work ethic and quality of work.

Kevin had a great love of the outdoors, particularly fishing. He shared many wonderful memories of his summers spent at the trailer, with so many close family friends, where he loved to spend his days on his boat fishing and enjoying the peace being on the water brought him.

The family wishes to extend their deepest gratitude to all the family and friends that have been such a great source of strength and support during this heartbreaking time.

Cremation has taken place, and a Celebration of Life will take place at a later date.

“ Kevin was anything but ordinary,
His sense of humour was as dark as they come.
His heart was bigger than life itself.
He was brave, courageous, soft spoken, loving, compassionate and hard working when he set his mind to something he damn well did it which is why I'm writing this memory of him today....
I'll miss that smirk he often had when we'd talk about old memories or that laugh that often made others laugh, I'll miss his positive attitude even though life would be in shambles...kevin loved his family, he'd smile ear to ear when talking about them..... the world lost a genuine soul.
He lived his life , his way.....: I guess I have to respect that and move forward.

My deepest condolences to his family and close friends thank you for raising such a great guy !

*Much love
His big sis*

“ Although you will never read this. I must tell you. Kevin. I love you. I loved you before you were born. I loved you as a baby. A child. A teen and as a man. I know life was hard on you. But I was always pulling for you. I was always on your side. I will keep on loving you , now that you are gone. I'll love you till the day I die and long long after that.

You were a beautiful soul. A great son and I will miss you sooo much.

I love you son Forever

“ Kevin was someone to look up to, a fitness guru, a ladies man, an excellent pool player, a comedian and a mentor in the trades... I could quite literally sit here for an hour, listening, one of his best traits However.. This is my perspective of him. Everybody got to know him a little differently.

My time with Kevin, I've had nothing but positive memories and stories to tell my kids when they are older. In such a tragic loss, it is important to remember that Kevin is still Here with us, Every time I hear about Kevin or share a story with others about him it's more than just a memory. It's like he's still here, but in our hearts.

As cheesy as it sounds, I can't just say I have one favourite memory because that would be untruthful, Every memory I have with Kevin is my favourite memory. Here's to you, buddy. Thank you for being the best friend guy could ever ask for
