

Klaus Flammuth

December 15, 2020

Klaus was larger than life. Our gentle giant. Klaus had a wonderful sense of humor. Always quick to light up the room. An avid fisherman, trying to chase the, big one. Klaus loved the outdoors and he often fed both chipmunks and raccoons by hand.

Klaus was a self trained musician, playing guitar and the piano.

A brother to Margaret, Ralf, Diane, Barbara and Jennifer. A loving son to Gwan and Imke. Klaus sudden passing has left an immense hole in our family.

“ *I remember the funny mixture between German and English. When the German Part of the family was in Toronto Klaus tried to speak German, just because he wanted to be polite and maybe he felt still connected with this langues. He was a great guy, funny, kind, calm. Thank you Klaus for these memories and for having the Chance to get to know you! Take care!*
