

## Mr. Kurt Rossler

July 20, 2013

In loving memory of Kurt Rossler

March 16, 1929 – July 20, 2013

Kurt passed away peacefully at Lakeridge Health Oshawa at the age of 84. He is survived by his beloved wife, Lila Rossler (nee Lidubina Ocegüera) and sons Jimmy (Mary) and George Rossler. He was predeceased by his daughter Maria (Chuya) Town (George). Much loved grandfather of Lisa (Luke), Andrea (Kyle), Michael, Austin and Andrew (Joyce). He will be greatly missed by family around the world: Michael Huber (Australia), Tio Bruno and Tia Elvia, Elizabeth, Anna, Joe and Lily Stefanski (Chicago), and by many Ocegüera family members in Mexico, Rome and California (Tia Letitia). Kurt immigrated to Canada from Stuttgart, Germany in 1953 and his love of adventure took him across Canada – from the Ottawa Valley to Toronto, to the Gold Mines in the Yukon and Northwest Territories. He met his wife in Mexico and brought her to live in Vancouver and then Sudbury. They settled in Whitby in 1963 where he worked for 26 years at GM. Kurt loved visiting with family and friends, sharing a beer and telling his many great stories. His greeting of a bone-crunching handshake and offer of a Cerveza will forever stay in our hearts. Sincere thanks to all the staff at LHO who treated Kurt with honour and dignity in his last days. We were told he was a true gentleman to the end. Although he had a true aversion to needles, (no freezing even at the dentist) Kurt did enjoy his visits with Dr. Schattner and Anita. Thanks for the extra special care. Please make donations to the LHO Cancer Centre or Palliative

Care in lieu of flowers; his green thumb will take care of those. A ceremony will be held at Resurrection Cemetery, 355 Taunton Road East, Whitby, on Friday July 26, 2013 at 2 pm.

“ *Salud Opa! We were never on the receiving end of that firm handshake, only your gentlemanly kiss on the cheek and smooth dancing skills. We loved the times we shared with you, listening to your stories, sharing a beer, picking the gooseberry bush. You were always excited to hear of our travels, reminding us "Every country is beautiful" and encouraging us to adventure and enjoy life the way you did. We love you a ton and could not ask for a more spirited, unique, loving Opa. Hope you enjoyed the "up" elevator and enjoy your next adventure. Love Always Andrea and Lisa xoxoxoxo*
