“ Larry was a fun guy to be around. I thank him tremendously for allowing me to play in his band, both at the University of Windsor and in Toronto. Those were happy days. Larry was a tough manager of the band; however, we always had a lot of fun, particularly at his byob parties. Larry will be missed....it is quite a shock to find that an old friend is gone. Rest in peace.

“ *Larry was my little brother. Earlier in our lives we had a lot of fun together. He liked to protect his big sister. He will be sadly missed by all his family especially his children Eleanor and Paul.*
