Paul peacefully passed away March 18 at Mississauga Trillium at the age of 84. Beloved father of Douglas, Robert and Richard. He will be missed by his many friends and family from baseball, bowling, Legion 210, The Cross-Eyed Bear and other refreshment establishments (probably having a happy hour beer with brother Glenn right now). Special thanks to Sheila, Ruth and Ralf. Donations can be made to [www.giftoflife.on.ca](http://www.giftoflife.on.ca)

“ Our condolences to the family on the loss of your dad Paul. He will be missed by so many people from West Mall Minor Hockey People, and the West Mall Oldtimers League. Paul was very active in the hockey as well as in other sports. He spent many months living with us, and we thoroughly enjoyed him. He had a zest for life. Loved his food. Betty & Bernie Ginger

“ Glenn used to score keep for our team in the senior league and Paul would come and watch sometimes. Both brothers were delightful to be around. I would see Paul many times watching our team and had some lovely conversations with him. So sorry to hear of his passing but know the brothers are together now, Paul so missed Glenn. My heartfelt condolences to his family.

“ Paul was a good friend. I was his captain in Etobicoke, and he was always ready with a joke and a smile. When I would go on vacation he would move into my house to dog sit. He would always encourage me to stay away longer because he had the run of the house, and use of my car. He told me once he got lost in the subdivision but my dog Sandy led him home. He will be missed by everybody that had the joy of knowing him.

*Paul was one of the old gang and one of the nicest people I knew. He was a very thoughtful person and him and his brother Glenn were always there to lend a helping hand. They sent me and a Buba birthday cards and anniversary every year. I remember when I went down to Cooksville to see him for his birthday I wanted to take him in for lunch and he said no I want to take you in for lunch to meet my friends. We had a few laughs and then I made sure I got him back to his room. I gave him a little kiss on the cheek and got a big smile. Rest In Peace my dear friend. Love and hugs. ❤️❤️🙏🙏*

*Our family came to know Paul over four decades ago through West Mall Hockey Association. It didn't take long before he became part of the family. We are so lucky to have shared many birthdays and celebrations with him! We will miss his quick wit, his laugh, his smile, but most of all we will miss our phone chats and visits. We were blessed to call him family.*
