“ *To the Holmes
From the strutts
Steven and Dan
it's a sad time
As we grow old seeing our
grade school friends passing away
To soon
How times fly
I Steven still recall
Being the younger
Generation and Dan and the olderkids and the smith's and
Bacoskies a lot
off the Holmes gang
playing baseball on the field àt south Simcoe
School and hanging down a the oshawa creek
All our prayer laurie will be sadly missed been a couple off years
since I crossed his path*
