“ Lee always made me smile. There was never a job too large or small that Lee wouldn't be kind enough to help me with. It was always a treat to have Lee walk into the classroom, do a job or two and then take just a moment to say hello and ask how I was doing. He was a great pal to have at school. Although I'm not at Cedar Drive this year, I will miss him. My regards to Lee's family.

“ Lee, we will always remember the good times we had. You were a kind person with a big heart and always made people feel good. You had great golf stories and we enjoyed watching many football games together.  
Our sincerest condolences go out to Amanda-Lee, Colin, Jeremy and the entire Cassidy clan.  
We will miss you and may you rest in peace.

“Dad, we love and miss you more than any words can ever begin to describe. Our hearts feel empty without you. We'll miss your smile, your laugh, your jokes and most of all we'll just miss being with you. It hurts so much without having you here with us but we know that you'll be looking down on us and watching over us. You always had such a way of making everyone feel good and you were always making people laugh. We love you so much. Charlotte looks to our picture and points you out of all of us. We will make sure that she grows up knowing that you loved her very much and how lucky she is to have such a wonderful grandpa. We love you dad.
