“ *My condolences to your family.  
I was saddened to learn of Lena's illness and subsequent passing.  
Our families (both of Dutch descent) knew one another for many  
years through a local church in Willowdale.  
Lena and I played in the violin section of the Peoples Church  
orchestra during the 1980's. We shared many things, among them  
laughs, rides to and from the church, visits to her booth at St.  
Jacob's Market and the big move from her apartment to her first  
house.  
I admired and learned from her amazing resourcefulness, courage,  
spiritual strength, and positive attitude. She certainly was a bright  
spot in anyone's day.  
We lost touch for awhile but In recent years were in contact again  
via email.  
May Lena now rest in peace until we meet again.
