“ I was very saddened of the news of Uncle Leo passing. I didn't know Uncle Leo all that well, but in all the times I saw him, he was always quiet and kindhearted. I know he will be greatly missed by many. Sending condolences to the family on behalf of Robin, Holly, Nik, Ryan, Lorraine and myself.

“ Rest well Great Uncle Leo. Sadly I didnt get to see as much of you as we would have liked, but I enjoyed every visit. Your name was one that was always known in our home, as I remember getting Leo and Barney confused as a small boy. Be with Papa. Love Andrew (Thomas O'Quinn's Grandson for our Newfoundland family).

“ *We were shocked & very saddened to hear of the passing of uncle Leo. We very much enjoyed spending our summer vacation visiting with him in south branch. He always had a kind heart and gave so much of himself taking care of his brother Pat. He was very generous to everyone. He will be missed so much. RIP uncle Leo. We will surely miss seeing you next summer. We Love you Theo & Doug O'quinn*

“ Leo you were my uncle but I also thought of you as a brother. You treated me with care like a baby as I was the "baby" of the family. I will miss our weekly breakfast/lunch and even better you always paid. Also our many trips to NFLD when I always said I hate that long drive...now I give anything to do it all over again with you. Thank you for all the wonderful years we had together . RIPgone but never forgotten...xo

My thoughts are with Leo's daughters, Candis, Leona and Karen. Also his grandchildren and great grandchildren. Also his NFLD family. Thoughts are also with Mary's daughter Darlene and granddaughter Rachael. He loved his family and friends.

RIP

“ Leo was a frequent after-supper visitor to our house before he went away. He'd come in, grab the chair that was always by the door, turn it around, straddle it and sit down and lean his arms on the back of it. And that's how he'd stay until he left.

It was so nice to have back home these last few summers. Like old times.

Miss you, Leo. God bless you.

And God bless your family at this sad time.

An old time friend.

“ I am truly sorry for your loss. I would like to offer the family my deepest and sincere condolences. My uncle Leo will never be forgotten. I will miss the presence of a much loved and kind man. I had the pleasure of having him walk me down the aisle at my wedding. Got to spend time with Leo on his visit to Lab City earlier in the year. Leo had a great sense of humour and we had a lot of good laughs!! Leo loved his trips to NL to visit family and always made a stop in Nova Scotia to spend time with his brother Burn and Burns family. He loved his Seafood and Jiggs Dinners!! He recently went home to spend time with his brother Pat. This says how considerate he was. He valued his brothers and sister. He also valued Corrine as a sister and friend and made sure he saw her often and called her to go to lunch. Leo left home when I was very young but I think his heart has always been at home in Newfie. RIP Leo may your soul rest in peace. Love Mercedes Oquinn Alty

“ Our deepest sympathies go out to Leo's daughters and his brother Pat and sister Cissy.

Leo was very dear to us.....whether a concerned uncle and friend when Bob had Bypass surgery and he was always there to run errands and accompany Bob on any road trip to make sure he would be safe....or the daily phone calls over the years just to check in and a laugh or two which was the norm during the conversation...Bob and Leo had many yarns to spin.....or the many times over the years that he checked our house when we went on vacation and made sure the mail and grounds were ok...or the many meals at our house for Jigs dinner or just a cup of tea and we even changed his mind on eating pea soup and took a bowl to go and of course, our visits to the Mandarin which he loved so much.

Thank you Leo for all the wonderful memories and stories to keep close at heart....Bob has lost not just a family member but a wonderful friend....RIP kind, gentle, man.....You will be greatly missed.
