“ Auntie Lee,

I'll always remember September 1982, you had recently gotten your driver's learners permit. You need practice driving before your driver's test so on an excursion you and I went. I let you drive to the Stouffville Flea Market - oh what a journey that was! You took every instruction given to you literally - when told to turn (I meant up ahead) - you turned immediately - into oncoming traffic!! We did eventually get there. You said its a wonder that I did not deliver my baby then and there two months early. That was a fun shopping trip.

Rest in peace, you are in a better place now without pain and worry. Now you are reunited with Nana, Grampa and Mom. I love you and will miss you, I will also miss taking you out for lunch on your birthday.

“ I remember the many weekends I spent at Leona's house and we always sat around the kitchen table talking up a storm. She was like my second Mom. My deepest sympathy to her entire family. Having recently lost my own Mother I share your grief at this difficult time.

“ Leona you were a shining light with everyone you had contact with, a loving mother, grandmother, mother-in-law, aunt and a friend to many others. You will be remembered for the many shopping trips to the mall you made each weekend coming back with gifts for everyone. Now that your pain has gone away and you have moved on to that peaceful place in heaven you will be sadly missed but never forgotten by all that knew you.

Love & God Bless
