

## Leonard Paul Dale

April 3, 2021

Paul Dale, age 80, went home to be with the Lord on April 3, 2021 at Lakeridge Health Oshawa.

Born July 24, 1940 in Orillia, Ontario, he was the son of the late Leonard John Merwood Dale and Evelyn Grace Dale (Battle). He is survived by his two sons Jeff (Shiona), Randy (Sandy) and daughter Stephanie (Doug) and his grandchildren Amanda, Brittany, Ashleigh and Taylor. He was a beloved brother to Jane Dale.

Paul was a loving father and husband and he cared deeply for his family and friends. He loved to sing, play musical instruments, and make things out of wood. He would often sing at church and played in the orchestra for many years. He loved to travel and work in the garage on the lathe and make wood carvings of birds. He could hardly wait for the warm weather to start after a long cold winter, to get back out to the garage and start making his next creation.

He will be missed every day, and we rejoice knowing that he has been reunited with his wife Diana, who passed away in July 2020, and that we will see him again.

“ We have many fond memories of Paul (& Diana) & Randy's family at our house celebrating Christmas Eve on multiple years and other occasions together. He loved the hugs he got each Sunday at church when our kids were younger. Our kids looked forward to their chats with Paul each Sunday too! Paul helped us out when Dave had his retina detachment and drove back and forth to Toronto several times and we remember those conversations fondly and how much he cared! He will be remembered for his big heart and friendly & kind nature.
