Leonard Broderick

“ *Some of my earliest memories were of Len and I jigging Tom cods on Broderick's wharf and out on the skiff on the collar. Stabbing flatfish for bait for Toss and Phonse Casey. Always irreverent and sarcastic, lol, but help anyone with needed work, whether bailing out a skiff or well. I can hear him now, "come on Brodess b'y, we haven't got all day!" We fished together, we drank together (a lot) and we worked sheet metal together. My friend , my buddy. He'll be missed*
