“ To all of Les' family, our whole family was saddened to hear of Les falling asleep. We weren't able to make it to the service as it was our Circuit Assembly weekend, but please be assured that our thoughts and prayers have been with your whole family and continue to be. So many precious memories of your dad and your husband, Betty. Your family has been close to our hearts since our Cedervale days and won't it be wonderful to get together all again, this time with perfect health and with many tears but only of Joy? I think of Brother Barclay when I read Hebrews 6:10. Rest assured of our love and prayers from the entire family.##imported-begin##sara (westaway) taman##imported-end##

Please accept my deepest apologies for not getting to this sooner. The Keortge family and I want to express our heartfelt sorrow in the loss of your father. We know that Jehovah will soon bring an end to this wicked & hurtful system. A glorious day that will be!! Until then, he understands the sorrow that pierces ones heart when losing a loved one, especially a parent. I can sympathize with your feelings greatly. We love you and your family and please know you are in our prayers and thoughts.

“ *My dear Lisa and family...to you I extend my heartfelt and deepest sympathy. Lisa, I am so glad that I had the pleasure of meeting your mother and father on one of their visits to Evansville. I know you will forever cherish the last three weeks at home. You told me that your father's faith was strong and he looked forward to Jehovah's promise of a resurrection....making sure to see him again in Paradise. That hope will keep you strong. Remember it is not goodbye. I will continue to lift you and your family up in prayer and trusting that Jehovah will help you through this trying time. My love and deepest sympathy to all, Patsy Moore##imported-begin##Patsy Moore##imported-end##*

“ *We are so sorry to hear this sad news. Losing a parent and spouse is something nobody wants to go through but in this system we have no choice in the matter. But one day Jehovah will call his servant Les and he will answer. We pray for all of you and we know Jehovah will help you through this trying time. My parents join Pierre and I by expressing their deepest sympathy for your loss. Hugs and kisses Pierre and Linda Roy / Ben and June Gosselin##imported-begin##linda roy##imported-end##*

“ We are always sad to hear of wonderful faithful ones who have passed from our lives.  
I know he will be greatly missed.  
We are still benefited by our deep faith in our beautiful future which no one can take away from us and it gives us in time a peace of mind that cannot be matched by anything else.  
Please know that my mum and dad and I are constantly thinking of all of you at this difficult time and praying for you to get through the days ahead  
sincerely

“ Lisa and Family,  
  
I am so sorry for your loss. Although I did not know your father, I feel I have gotten to know his character through your stories and actions. I am sure he was a wonderful family man, a superb role model, loving husband and a distinguished citizen. I know he will be missed by the many people he has impacted in his life. Please take care in knowing that we are thinking of you all from your Southern home here in Indiana.
