“ *Jerome and Jan, it was with sadness that I heard yesterday (June 2) that Lidia had passed away. She was always very good to my parents, especially, a great support to my mother. I will be grateful always to her for all she did for our family. I know it will be hard for you two at the beginning but I am sure she is looking after you from the other side. Lorena*

“ *I will remember Lidia as a kind, warm, welcoming woman; a priceless scholar, and one who was passionate about her homeland. Rest in peace, Iya mi. I will thrill for you when Cuba is freed..*
