“ Linda and I worked together at The Wexford for a few years. We lost touch but reconnected when I had a private client that lived at Chester Village. Again, we lost touch until I had the privilege of caring for Linda through her final journey.

My condolences to her mother, brother and many dear friends. My thoughts and prayers are with all of you at this very difficult time.

“ I worked with her at Chester for 3 years. I dont see her everyday but she was always been nice to me. On my last day of work at Chester in 2009. She came to look for me and hug me. She said I will be missed. I said to her likewise.. May you rest in peace Linda. Love and prayers!💜💜💜💜💜

“The years we have spent together are priceless, know that you are always in my thoughts and never far. You are one of the kindest person I know, giving and thoughtful. You left us too soon...but the memories we shared are forever. Thank you for being a part of my life.”

“True friends are the ones who never leave your heart, even if they leave your life for a while. Even after years apart, you pick up with them right where you left off, and even when they die they are never dead in your heart”

RIP Linda I will be lost without you
