

Linda Mary Gibson

January 22, 2019

It is with great sadness that we announce the passing of Linda Mary Gibson on Tuesday, January 22, 2019 at Oshawa Lakeridge Hospital.

Linda was born in London, England on December 15, 1955 to Mary Gibson (Sinclair) and Roy Michael Gibson who have pre-deceased her. Her brothers, Keith John Sinclair Gibson and Mark Kieran Gibson, and their families will miss her sense of humour and kind heart.

Linda had a small but wonderful group of friends who supported her through good times and bad. She will be missed by them all.

Linda loved animals and spent much of her time with her dog Magic, her cats, and her horse, Jinx.

A small memorial service will be held in her honour for family and friends in the spring of 2019 (date and location to be determined).

Contributions can be made in her name to the Ontario SPCA.

Please feel free to leave your thoughts for her on this site

“ *My wife and I met Linda when she visited England. and stayed with my dad, her Uncle Brian, for a short while. Whilst we did not know her well, it was nice to meet her and get to know her a little during the time she was here. Sad to hear she is no longer with us,*

“ Oh my goodness. I cant believe she has gone already. Linda worked for me in Newcastle doing furniture restoration. She was a lovely woman and we shared the love of dogs and horses. I am saddened by her loss.

My deepest condolences to the family of Linda. I was very sad when I heard this. I worked with Linda as a bus monitor and she was my driver. She was a kind woman. She would bring me homemade jams and cookies and fresh raspberries from her garden. We shared childhood memories. She often talked about her mom and dad and her two brothers. I remember her being so excited to go to her nieces wedding in Montreal. Her Dog Magic was her world. I remember when she got him and she invited me up to the house to meet him. Linda was a hard worker always doing things around the house painting or laying hardwood floors. She loved her horse and adored her friend who looked after her horse. She often went there for dinner. Forgive me if I got her name wrong but I think her name was Beth if memory serves me right. As I look at the pictures it makes me very sad. We had a few laughs I can tell you that! I left the bus a few years ago so I didn't realize she was sick...RIP Dear Linda ❤️
