“ *You were always the "lady" no matter what. Your love and devotion to your children and grandchildren was your reason for being and it showed in every action and decision you made in your life. You have left a tremendous legacy for them to follow. A new star now shines brighter in the heavens.*

Lyn thank you for the kind words and compassionLinda was indeed 1 of a kind...her way with children was outstanding and she could do so much with so little. Now that she is an angelshe has her work cut out for her...but she will NOT waiver
