“ My heart is broken and i wish time could stand still this giving me the opportunity to extend my love and gratitude to this wonderful lady who accepted this “black” child when no one in Lindsay liked like me. She along with her husband and my friend (sister) Lisa extended grace and love and even offered to adopt me. Life has a way of physically seperating people but memories keep them close. I love you, and I thank you for I could not be who i am today without you ❤️❤️❤️😭😭😭  
My deepest sympathy to Lisa, dad and the entire family.  
With love. Leanna
