“ I extend my heartfelt sympathies to Eve, Irene amd Rick. Most important are the kids. I hope that the kids will remember good memories. Lisa my heart is sad because you are not here. You were such a wonderful Mom and friend . You never had an easy time in your life but those children are your legacy. Hugs to you all.

“ Lisa was an extraordinary woman as she was a mother. My heart goes out to her family for she is gone way too soon. I will forever cherish all the great times I have had the luxury of spending with her. She treated me like her own child and I will forever miss spending time with her. She raised beautiful strong children and I wish her family the best 💕💕

“ My name is Kate Toner. I am the daughter of Colleen and Terry Toner who lived across the street from the Tuckers on Winston Avenue. Lisa babysat me when I was growing up! She was always so very kind to me – not just because I was a kid on the street she looked after – but because she was a genuinely kind person. I was so truly saddened to hear news of her passing. I will always have very fond memories of her.

“ You have lost a huge heart-light in your family circle. In the days and weeks to follow your hearts will break and heal a million times from this loss you have suffered. Know that your friends share your pain, and are here to provide what earthly comfort we can. If only for a borrowed shoulder, an ear, or arms and a heart full of love, compassion and understanding to help you heal. Know that she touched us all, and we will carry her in our hearts until see her again. <3
