

Lois Brown

March 15, 2026

It is with deep sadness that we announce the passing of our beloved Mother Lois Brown, whose kindness and warmth touched the lives of everyone who had the privilege of knowing her.

She was an extraordinary mother devoted to her family and a true friend to many. Her gentle spirit, generous heart and ability to make everyone feel loved by all who crossed her path.

Lois had a way of bringing comfort and understanding to those around her, her presence will be deeply missed.

While our hearts are very heavy with loss, we take comfort in knowing she is at peace and free of pain, and she will be happy to join her Mother Gladys, Father Mac, Sister Lorraine, and her Grandsons Craig and Cory. She leaves behind Fred, the love of her life and husband of 68 years as well as her children Leslie (Ken), Chris, Kelly, Wendy (Lorne), dear daughter in-law's Shelley and Mandy, her 9 grand children and 12 great grandchildren. Our beautiful Mother's strength and grace will forever inspire us.

Rest In Peace Momma
