“ Dear Lois,
Will miss our long chats on the phone (UK,Canada).
We had so much to talk about,remembering our young days running
around Portland Rd.
and you Rae Town.
We also talked about you mom,dad,aunt and grand mother,and your
travelling time,and marriage,children.You were off finding yourself,I
was off doing the same.
Then suddenly there we were,both alone,and at the age where we
could laugh at many things that happened in our lives.And how we
ended up so far from our place of birth.
Rest in peace my friend.□□

“ I was devastated by the news. I wish I could see mom one last time but due to circumstances I cannot. I loved mom very much and miss her more than I can express. To my family I send my love and know that God will comfort them at this time. Bye mom. See you in heaven. From Michael.
